"It's Time To Ride!" News TM

As 2018 comes to a close,
 it's all been said and so it goes,
 that now we plan a New Years bright
 May we carry on, and without fright
 reach for dreams and goals delight
 Stay your course for challenges will appear
 keep your principles and good friends near
 keep moving forward and cherish each moment
 life is a journey to be lived in full
 persevere and and carry on until we reach that clear new dawn

Merry Christmas and Happy New Year,

Scott Clark

Last Weeks Saturday Ride Report

Circle of Pain always delivers a challenging and scenic route. Our group was small but stayed together well and we had a good ride. Great to have Alvin back with us after working out of town. I always appreciate his help with group. Andy and Juan had some flat tire issues, but thankfully were well prepared and made it back safely with no UBER. To see what our route looked like, click on link below (courtesy of Alec) and enjoy the "relive" segment arial view.

Ride for this week Dec 29

This week is the last Saturday ride of 2018, so let's pay homage to one of our foundational routes, "Track Ball" . Milage is about 35 from Albertson's in Orcutt. We will do the usual route with usual regroup spots, this is an out-and-back ride, so easy to add on or cut short if needed. This ride is remote with no extended stops, so bring what you need for fuel and hydration. Questions? Contact me at 805-922-5577

Special Note:

Many people have been inquiring about Mainstreet Cycles Vests and Jackets not being available on the at once order link (below). While that will not be possible now, we have found a work around by doing a shop customer order for stock, available late January. If you would like a new MSC Vest or Jacket, please let us know your size and what item/items, and we will reserve them for you.

To help communicate when we do have flats or lost riders, please put my cell number in your phones; Scott Clark 805-451-7805.

Please make sure to come prepared with **EVERYTHING YOU WILL NEED** to be comfortable and safe on ride. **CHECK ALL YOUR EQUIPMENT BEFORE SHOWING UP FOR RIDE.** This includes making sure that you have Helmet, working cleats on your shoes, flat gear, food, cash and of course that your bike is in good working order.

Interested in our ride but have not tried it yet?

We are a no drop, group-minded group ride, however:

You need to have a true "road" bike and can pedal at least 14mph on your own for a couple of hours. If you can do this, we can help you to integrate into a faster group setting. If you are working your way into this fitness level, ride part way with us.

We hold a pre-ride meeting each week and can advise on where and how to participate and cut short if needed.

Ride leaves Albertson's parking lot (Taco Bell side) in Orcutt at 9am, and twice a Month from Mainstreet Cycles at 9am when posted.
